CROOK COUNTY
CHRISTIAN SCHOOL

Let us introduce ourselves…

Crook County Christian School is a private Christian school promoting excellence in discipleship, academics, and leadership, while helping students develop compassion and character. CC Christian School was birthed in 1994 by First Assembly of God in Prineville and was in continuous operation by the church until 2015. In 2022, the church successfully replanted the school for the 2022/23 school year. Since its inception, it has impacted thousands of students and families throughout the Central Oregon region, and we are excited to see that legacy continue!

CC Christian School admits students of any race, color and national origin to all rights, privileges, programs and activities accorded or made available to the students at the school.

Our Motto
"Pursuing God through excellence in discipleship, academics, and leadership"

Our Focus
CC Christian School maintains a strong focus on providing a high quality, Christian education. Our mission is to train Christian young people to achieve their fullest potential spiritually, academically and emotionally and to prepare them for the future. All of our faculty members are Christians and have a call on their life to educate, mentor and train young people. Our faculty has a desire to be of service to both students and their families.

We are dedicated to providing an academic environment that is safe and challenging for students. Everyone that comes to CC Christian School will be challenged both academically and spiritually and should feel loved and cared for as we strive to maintain our excellent standards.

Our Goals
It is our passionate goal to become the BEST Christian school in the region, and it is at the heart of every policy we make and every program that we offer. We believe it is attainable as we continually strive for excellence in all we do. It is also our passionate goal and highest priority to provide an academic and spiritual environment that challenges our students to achieve their academic best, as well as to be spiritually and emotionally maturing.

Our Purpose
Our highest purpose is the Glory of God in all things. CC Christian School will prepare and provide each student an opportunity to succeed in the four areas listed below:

1. Pursuing God: To develop spiritually mature and active followers of Christ who are capable of defending and articulating their faith. It is our aim to instill in our students the desire and ability to develop a lifestyle of spiritual growth; and to prepare them to successfully live out a faith that is vibrant, living, and expressive.
2. Discipleship: To prepare students with a consistent, biblical worldview that helps them understand the world and their place in it. We want every student to be prepared to have a compassionate view of those around them, fueled by their understanding of the Gospel and the life and teachings of Jesus.
3. Academics: To prepare students to enter life as confident, academically advanced individuals who are ready to succeed at all levels of education and pursuits. It is also our goal to educate students with a global worldview that will prepare them to succeed in an international marketplace.
4. Leadership: To mentor today and tomorrow's leaders in whichever field of study, career or endeavor the student chooses to pursue and enable them to be servant leaders. It is our goal to prepare each student to meet the challenges and successes in life as a healthy follower of Christ, capable of living a life of integrity, excellence, and fortitude.

Dear Parents:

I am excited to present to you a school in pursuit of excellence and designed to help you and your family to confront the issues your child will face in their future. Crook County Christian School was formed to prepare your child for their future in at least three ways. These three steps are based on the Biblical standard, by which Jesus grew as a child when Luke said, "And Jesus grew in **wisdom**, and **stature** and **favor** with God and men."

PREPARATION

We want to **prepare** students for future success and raise the level of confidence and self-esteem of your child by preparing them to understand their identity, purpose and hope in Christ, and giving them the opportunity to excel academically, spiritually and emotionally.

SPIRITUAL DEVELOPMENT

Our goal is to **develop** your child spiritually by helping them grow in their knowledge of faith. This will include helping them understand the gospel at an age appropriate level and helping them learn the core themes of the Bible in order to develop a consistent Christian worldview. As they mature into Jr/Sr high, we want to help them examine their faith critically through topics such as apologetics, creation vs. evolution and theology. These studies will be designed to help your child face the overwhelming humanistic agenda they will encounter with increasing frequency.

EMOTIONAL DEVELOPMENT

We want to guide **emotional** development and maturity in the context of family. The basis for this goal will be the Biblical values and principles of healthy family relationships. This development is designed to help equip your child to have healthy families in their future. This development will also be designed to help equip them in learning to deal and lead the challenging people they will face in their future careers, church ministries, and communities. Their goal will include family involvement through activities and encouraging communication among family members.

We are not looking for perfect students or families. We are looking for students and families that desire to grow in balanced academic, spiritual, and emotional endeavors to prepare for the future. CC Christian School is committed to working with you and your child to further academic, spiritual and emotional excellence.

Congratulations on expressing your interest in what I believe will be one of the very best investments you will ever make.

In His Service,
Aaron Mapes
Lead Pastor
